

Cleaning interiors just got EASIER, FASTER, SAFER

INTRODUCING THE KAY® LOBBY & DÉCOR PROGRAM

A Comprehensive Line of Cleaning Solutions
for all Restaurant Lobby & Décor Needs

KAY® QSR PROGRAM

ECOLAB®

Protect Your Investment & Impress Your Guests

New interior décor can be a substantial investment. With proper care and cleaning, it can deliver years of performance and added profit. Because new décor designs can include many unique surfaces, keeping restaurants consistently clean and appealing can be a challenge – until now.

Create GREAT IMPRESSIONS in the lobby and dining areas.

The New KAY® Lobby & Décor Program makes cleaning **fast, efficient and safe**, taking the challenge out of cleaning multiple surfaces – from tiles to tabletops and laminate to lighting.

The Lobby & Décor Program cleaners include KAY® Specialty Cleaner & Polish, KAY® Glass & Multi-Surface Cleaner, and KAY® Premium Seating Cleaner & Conditioner.

SPECIALTY CLEANERS. These unique specialty cleaners tackle the distinctive challenges that new lobby and décor surfaces present, from seating and upholstery that hide dirt in creases and crevices, to tabletops and counters where soils remain visible in plain sight.

NONABRASIVE PADS AND MICROFIBER CLOTHS. The KAY® Power Pad is gentler on surfaces than harsh, abrasive cleaners or scour pads.

The new KAY® NO-SCRATCH™ Pad (White) is a true nonabrasive pad perfect for cleaning and protecting surfaces.

KAY's new Microfiber Cloth provides outstanding cleaning performance with a lint-free, non-woven cloth that is durable and reusable, making it ideal for cleaning and polishing.

CONVENIENCE CADDY. This new caddy features room to hold up to six products, plus a variety of cleaning pads and microfiber cloths. Reduce spills, eliminate juggling bottles, and ensure that everything employees may need to clean is conveniently within reach. Just grab it and go!

Décor - A SOLUTION For Every Surface
